

Appendix of

to the Agreement no 8/UWBWM/2021 of 25.02.2021 between:

Kyrgyz State Technical University named after I.Razzakov, Kyrgyz Republic

and

Bialystok University of Technology, Poland

The Parties unanimously agree to amend the content of the Specific Agreement on Double-Degree Programmes between Kyrgyz State Technical University named after I.Razzakov, Kyrgyz Republic and Bialystok University of Technology, Poland, concluded on 25.02.2021.

I. As determined by both Parties, the following changes are introduced:

1. The following clause (4) is added to Article 2:

Students qualified to study under the Double Degree Programme, who commenced studies at their home University in the academic year 2023/2024 shall commence studies at Bialystok University of Technology:

- *from 1.10.2023 in the field of Environmental Engineering – 1st and 2th semester.*

Students qualified to study under the Double Degree Programme, who commenced studies at their home University in the academic year 2023/2024 shall commence studies at Bialystok University of Technology:

- *from 1.10.2024 in the field of Environmental Engineering – 3st and 4nd semester.*

In case of objective difficulties preventing commencement of studies on 01.10.2024, until the date of arrival of KSTU named after I.Razzakov, students, classes will be run online, provided that all required documents are delivered.

2. Clause (2) in Article 9 shall be amended:

The specific agreement shall be extended for a further 2 training cycles starting from the academic year 2023/2025.

II. The remaining provisions of the Agreement remain unchanged.

III. The Appendix has been drawn up in Polish, Russian and English. One for each Party.
